Due to an inadvertent error on Plaintiff's part which delayed when Plaintiff provided to Defendants the counter-designations and objections to Defendants' deposition designations for Chad Bechard, Alan Henderson, Matthew Kling, and Chris Simons, the parties have agreed to supplement Exhibit 4B to provide for Defendants' counter-objections and counter-counter designations to that testimony, if any, no later than March 31, 2022.

The parties reserve the right to introduce at trial additional deposition testimony not designated here for the purpose of impeachment. The parties further reserve the right to supplement or amend their designations, counter-designations, objections, or counter-counter designations subject to the terms of the parties' pretrial order, for good cause, with the parties' agreement, or as otherwise permitted by the Court. Finally, to the extent that any deposition testimony herein designated or objected to relates to any evidence or argument that is the subject of any motion *in limine* or other evidentiary objection, neither Plaintiff's nor Defendants'

designations, counter-designations, objections, counter-objections, or counter-counter designations are an admission of that testimony's relevance or admissibility.

The parties have agreed to use the following key to identify objections in the charts provided in Exhibits 4A and 4B:
